## What is Paperless PTO?

The **Paperless PTO** is a template that can be used by your parent teacher group to instantly build a simple, yet sophisticated website and smart phone app.

If you can point, click and type, you will quickly become the web-master of your PTO or PTA website.

When used to its full potential, your Paperless PTO website can completely eliminate the sorting, tallying and filing of the mounds of paperwork that you are used to dealing with.

Each Paperless PTO website also comes equipped with an automatic fundraiser that will generate revenue for your group.

And now all Paperless PTO websites come equipped with a smart phone app that runs on both iPhone and Android smart phones.
